MESSAGE > FROM

AMDA CHAIRMAN

Welcome our Main celebrant for today Rt. Rev. Robert Muhiirwa Akiiki, Bishop of Fort portal Diocese and Vice Chairman of the Uganda Episcopal Conference and friends from Fort Portal Diocese

Dear AMDA Members!

I greet you in the name of our Lord Jesus Christ. I take this opportunity on behalf of the AMDA Executive Committee and on my own behalf to welcome you to this monthly Sunday Mass.

As a community, we are delighted to welcome our Main celebrant for today Rt. Rev. Robert Muhiirwa Akiiki, Bishop of Fort portal Diocese and Vice Chairman of the Uganda Episcopal Conference and friends from Fort Portal Diocese who have joined us today. Bishop Muhiirwa is a friend to many AMDA members mainly for his outspokenness on a number of society evils such as moral decadence, corruption, poor governance and poor service delivery. Thank you for living the truth taught by Christ himself and serving as role model for those of us who often fall short.

I also welcome our children that have returned from school for this short holiday and applaud parents that continue to involve the children in AMDA activities. Our monthly masses are important gathering for AMDA people of all ages and the youth group, on the other hand, is frequently left out. It is important to note that there is no better time to teach them about God, religion and spirituality other than in their younger years. I appeal to all parents to always involve the children in the church's life when they are young, they will continue to do that in their adulthood. Our AMDA children ministry is continuing to organize periodic activities targeting children mainly targeting teenagers.

I condole with our members who have lost their dear ones and continue to pray that the good Lord comforts them during this time. We have also a number of our members battling different sicknesses and admitted in various hospitals. During such moments, I call upon you to remember and always keep in mind the encouraging words of Pope Benedict XVI. "Let us call on the Virgin Mary, model of total entrustment to God, so that amidst the plethora of anxieties, problems and difficulties which churn up the sea of our life, may our hearts resonate with the reassuring words of Jesus who also says to us 'Take heart, it is I; have no fear!'; and may our faith in him grow."

Finally, I thank members of AMDA 03 Whatsapp family for ably animating today's mass and mobilizing resources to support construction of AMDA Rubaga project . I request for your total support and active participation in the following activities lined up for the month of May;

- AMDA Men's retreat on 30th April, 2022
- AMDA Choir Concert on 15th May, 2022
- AMDA Pilgrimage to Karama and Mirama 21st to 22nd May, 2022
- AMDA Monthly Mass on 29th May, 2022 to be animated by Kabuyanda parish.

I wish you a blessed month ahead

Rukundo egumecho.

MY JOURNEY TO DEPUTY SPEAKERSHIP STARTED WITH SOME MEMBERS OF AMDA

Youths should abandon the negative attitude they have towards applying for jobs, but dare to go after their dream jobs.

Youths should abandon the negative attitude they have towards applying for jobs, but dare to go after their dream jobs.

The call was made by Rt Hon Thomas Tayebwa the Deputy Speaker of the 11th Parliament. He was speaking during the AMDA special Palm Sunday Mass at Kitante Primary school on 10th April 2022.

Speaking during the Mass animated by St Jude AMDA family, Tayebwa said that the journey to his current seat started with some members of AMDA including Buhweju MP Francis Mwijukye who pushed him to go for it even when he had some doubts.

"In Parliament, there was a belief that as the Western Region we have the President and would never be supported by other regions for such a seat as Deputy Speakership. So, I told Mwijukye, won't I be shamed if I join this race? But he reminded me that people really love me. Then he was joined by

Battingaya, Kateshumbwa and Clare of Isingiro. That's why I say this started in AMDA," Tayebwa said.

He added that some youths often wait for other people to believe in them, yet they do qualify for such positions of merit. "Instead of believing in yourself, you wait for other people to believe in you. In the end when you don't get whatever you were aiming for, you start rambling."

Hon Tayebwa explained that Uganda is not divided as most people may think. "When I offered myself, it was people from our region that were against me. They asked, who is this Tayebwa and who is his father? Why would it matter whose son I am, as long as I can interpret the law the way I am supposed to?" he wondered.

Tayebwa based on this to advise young people who do not have an already established foundation, to dare to win and stop declaring themselves failures who will never find employment.

"Stop losing hope just because you are not some prominent person's son or daughter. This country has several opportunities; you just need to be daring. If you decide to join those who are grumbling, you will not get what you are fighting for," he advised.

The Deputy Speaker and his wife were blessed by the main celebrant to do his work with humility and without any fear.

During the same Mass, Fr Ndugwa urged Christians to always be truthful and avoid being like Pilate who became fearful and told lies. He noted that humility should not just be left to politicians, but that this should be a virtue carried by everyone.

"Be good leaders, have humility, know the truth and do not be scared to tell this truth. Do not be like Pilate who became scared and lied. Let us not just leave this to political leaders only, but let all leaders carry it on and be humble like Christ who did not come to be served, but to serve others," Fr Ndugwa said in his homily.

He added that if Christ were to look at what is deep inside our houses as Christians, He would weep and heroes would be put to shame. The main celebrant asked the Christians to always be ready to receive Christ in their homes, their lives, country and offices just like the natives of Jerusalem and not end up like the Jews and the Pharisees who praised Christ and later gave him up to be hanged on the cross.

"Let us not hang Christ on the cross due to our bad acts full of corruption, selfishness, and divisiveness. Let us avoid these two contradicting moments and see that Jesus comes into our lives, families, country and in the church

world over. Let the Holy week bring us God's mercy through the passion, death and resurrection of His son, and turn us into good people, so that when our time comes, we may as well reach resurrection with Christ," he added. He insisted on humility, hard work, love and focusing on the glory of Christ.

The AMDA chairman Mr. Chris Emanzi applauded the Deputy Speaker Tayebwa for accepting to pray with the association. He also congratulated him upon his election as Deputy Speaker of the 11th Parliament, noting that the AMDA family as a whole is proud of him.

"We pray that the Lord will travel on this journey with you and help you do your work with humility and be just. We received several calls congratulating you. Everyone was calling me as if I had become the Deputy speaker myself. We believe in you and hope that your leadership in parliament will have a positive impact on our population. We want to see parliament pronounce itself on issues like corruption and unemployment," Emanzi said.

He also called upon the deputy speaker to ensure that during his tenure in office, more money is invested in agriculture and health. Adding that the COVID-19 pandemic was a test that undressed our health sector and that this should not happen again. The chairman promised that members of Amda will be praying for him always.

Mrs. Christine Ampe the chairperson St Jude Amda family applauded her members for showing up in big numbers and contributing to the Lubaga project. She further thanked the main celebrant Fr Ndugwa for accepting to celebrate Mass with them, having traveled from Mbarara.

She thanked Hon Tayebwa for accepting to be their chief guest, and also as a member of their family. St Jude was the first Amda cell to be formulated in 2016 and has the biggest membership among all cells. Also, all AMDA EXCO are members of the same cell, except one person, who is also in their neighborhood. Ms. Christine however says this was just a coincidence.

St Jude cell is made up of members who reside in the areas of Kisaasi, Kulambilo, Bukoto, Kyanja, Kungu, Komamboga, Kanyanya Mpererwe, and Ntinda.

The Mass was also attended by former Chief Justice Bart Magunda Katureebe, several MPs, Commissioners among other Christians.

DIVINE MERCY SUNDAY; JESUS I TRUST IN YOU

JOHN 20:19-31

St. Faustina, He came with a message Jesus I trust in you.

The Image of Jesus has a Red Ray and Blue Ray coming out of His Heart. The Red Ray mean Blood and the Blue Ray means Water.

Pope St. John Paul II made Faustina a Saint and He also started Divine Mercy Sunday. A Divine Mercy Novena (Prayer for nine days) is prayed from Good Friday and ends on Divine Mercy Sunday.

Today we see how the disciples of Jesus were hiding and afraid. After Jesus' death the disciples were scared and hiding

Today is the second Sunday of Easter and it is a special Sunday known as Divine

Mercy Sunday. Jesus appeared to St. Faustina. When Jesus appeared to

from people who they thought would hurt them because they were Jesus' friends and believed in him. Jesus appeared to them and made them feel strong. He brought them peace and encouraged them to Trust in Him.

Jesus came to give his disciples peace, hope and courage to face the future. He told them to be strong and go out into the world to tell others about the Good News of the Gospel.

Today in many parts of the world there are people who are scared because of wars. How do you think this makes them feel? What can we do to make the world a more peaceful place? How will we spread the message of peace that Jesus brings this week?

We can start with our own family, friends and neighbors. We can be kind to others and show them love. This will make them happy and courageous. And then we shall feel courageous and happier too!

ACTIVITIES

- Draw and paint the picture of Divine Mercy
- Share with your family members how you will do acts of mercy

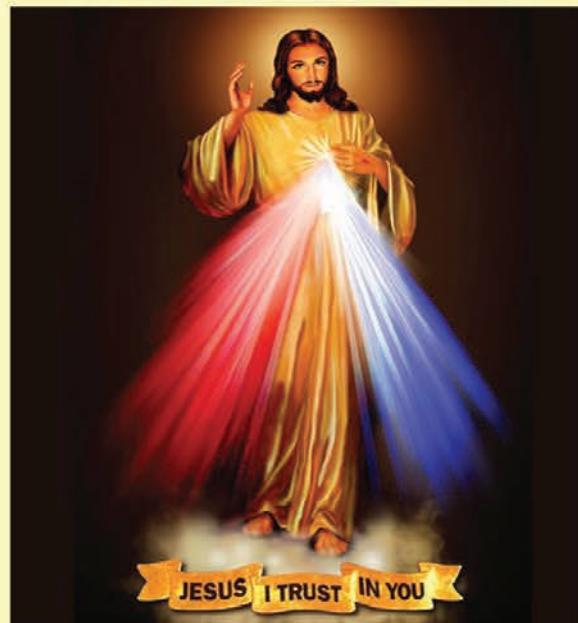

MEMORY VERSE

John 20:19;
Peace be with you

PRAYER

Loving God, you sent Your Son Jesus to the disciples when they were scared. Help us to bring hope to other people who are hiding, or afraid, so they may know Love and Peace. Through Jesus Christ Our Lord. Amen.
